

Plebiscite January 6

Some confusion existed at a recent meeting of Town Council regarding a plebiscite on the airport proposal.

The editor of The Western Review (Councillor R. Smith) interpreted the resolution as a proposal to advertise debenture borrowing and if objections were raised by the required number of ratepayers a plebiscite would be called.

This was not the case and the bylaw that received first reading covers the borrowing of money for airport construction and rather than requiring objection by ratepayers, calls for a plebiscite which will be held on January 6th, 1961.

Merchants Set Shopping Hours

Christmas shopping hours were established at the regular monthly meeting of the Drayton Valley Retail Merchants Association held in the Cardium Room last Wednesday noon.

Changes in regular hours will see stores open on Monday, December 14th from 9:00 a.m. to 6:00 p.m.; Thursday and Friday, December 17th and 18th, 9:00 to 9:00 p.m.; Monday, December 21st, 9:00 a.m. to 6:00 p.m.; Tuesday and Wednesday, December 22nd and 23rd, 9:00 a.m. to 9:00 p.m.; and Thursday, December 24th, from 9:00 a.m. to 6:00 p.m.

A four-day Christmas holiday is in store for businessmen and employees this year with stores also closed on Monday, December 28th.

Skaters Win Bronze Medal

Jim and Denise Wedman of Drayton Valley won a Bronze Medal in the dance division of the Alberta Free Skating Championship competition held over the weekend in Vegreville.

A total of 98 of Alberta's top skaters took part in the Championship Competition. There were ten skaters from Drayton Valley competing.

From the Vegreville event there will be a team of eight representing Alberta in the Canada Winter Games in Saskatoon.

Football Wind-Up

Little Canadian football players coaches and officials enjoyed a wind-up supper and program in the Elks Hall last Thursday evening.

Presentation of trophies highlighted the evening with the following receiving awards: Top Lineman, Blue Bombers, Bryon McMahon; Top Lineman, Stampeders, Kerry Shearer; Top Line-man, Eskimos, Bradley Brown; Outstanding Backfielder, Blue Bombers, Terry Wilson; Outstanding Backfielder, Eskimos, Lynn Mattoon; Outstanding Backfielder, Stampeders, Greg Woods; and Ricky Simon trophy for most improved player on the Stampeders team went to Boyd Harris.

The Forrester Trophy emblematic of Drayton Valley Little Canadian Championship was presented to Blue Bombers captains, Mike Kobernick and Jim Gottschalk by Clayton Rosenberger.

Showing of films concluded the program.

SOCRED W.A. PLANS MEETING

A meeting of the Drayton Valley Constituency Social Credit W.A. will be held at 7:30 p.m. tonight, Wednesday, November 25th at the A. Gottschalk home, 4709-44th Street, Drayton Valley

The Western Review enters 2,800 homes every week.

High School Band To Present Concert

The All City High School Band from Edmonton will make its first appearance here Friday, November 27th. The fifty-piece band under conductor Mr. Frank Dunnigan will stage a one and a half hour concert at the High School Gym. The concert begins at 8:30 on Friday and adults tickets are \$1.00, and students are 50¢. Tickets may be purchased at Valley Drug, Don McKenzie Men's Wear or from any local band member.

Students in the visiting band came from six different schools in Edmonton and are taught music in the regular school program.

They meet once a week on an extra-curricular basis for the full rehearsal.

The group is active in performing for charity and organizations at city shopping malls, and presents a formal concert once a year in Edmonton. The group annually competes in the spring Music Festival.

Friday's concert is sponsored jointly by the High School Student's Union and the D.V. Community Band. The purpose of the event is to promote the local band program.

Proceeds of the evening will go toward the transportation expenses of the visiting group.

Should the turn-out be above expectations the additional proceeds will be used to supplement the band's treasury which is very meager at present.

Juveniles Face Drug Charges

As a result of an R.C.M.P. investigation two Drayton Valley juveniles have been charged under the Food and Drug Act.

A 13-year old has been charged with possession of L.S.D. for the purpose of trafficking and a second, 14 years old, with possession of L.S.D.

Merchants Plan Christmas Party

At a recent meeting of the Drayton Valley Retail Merchants Association it was decided to hold the Annual Children's Christmas Party on Saturday, December 5th.

The party will be held in the Cardium Theatre where free shows will be held at 10:30 a.m., 1:30 p.m. and 3:30 p.m. Santa will also be present and treats distributed.

All children from town and country up to the age of 12 are invited to attend.

Mrs. Georgianna McDavid

Home Economist Appointed

The immediate appointment of Mrs. Georgianna McDavid as District Home Economist at Stony Plain has been announced by C.J. McAndrews, director of extension, Alberta department of agriculture. Although her headquarters will be at Stony Plain, Mrs. McDavid will serve several other centres including Spruce Grove, Drayton Valley, Evansburg, Hinton and Jasper.

Born and educated at Olds, Alberta, Mrs. McDavid also attended the Olds Vocational and Agricultural College where she took courses in fashion and design. In 1967 she enrolled at the University of Alberta, graduating this spring with a B.Sc. in Household Economics. Following graduation she joined the Alberta department of agriculture and has since been undergoing training at both Calgary and Edmonton.

In her new appointment Mrs. McDavid will be providing district homemakers with the latest information on foods and nutrition, clothing and textiles, home management, remodelling and interior design. She will be working closely with other extension personnel in developing and expanding programs designed to enrich family life at the local and district level.

In her new appointment Mrs. McDavid will be providing district homemakers with the latest information on foods and nutrition, clothing and textiles, home management, remodelling and interior design. She will be working closely with other extension personnel in developing and expanding programs designed to enrich family life at the local and district level.

Members of the Community Band, now about 15 strong, are shown here at their Monday evening practice.

WEDNESDAY, NOVEMBER 25, 1970

Delegation Seeks Preventive Services

At the last regular meeting of Town Council Mr. Rudolph Zander as spokesman for a delegation present at the meeting, requested Town Council to examine the possibility of instituting a preventive social services program for the town and the position of the County of Parkland trading into Drayton Valley.

He noted that a program of preventive services was needed in the area emphasizing the drug problem and the areas of budgeting, and education in operation of family units.

Mr. Zander pointed out that the area involved should include the western section of Parkland County and the town of Drayton Valley.

A complete plan, as envisioned by Mr. Zander, would have the entire County and towns in the area taking part and served by one, or possibly two, professional counsellors. The counsellors would train laymen to assist in providing a service throughout the large area.

Estimated cost of such program is \$19,118 with the provincial government picking up \$15,284. of the total and leaving \$3,823 to be shared by participating municipalities.

Town Council indicated interest in the proposal and named Councillor Betty Waugh to represent the town in further investigation of the plan.

Other members of the delegation present at the meeting were Mrs. Mary Ibbotson, Mrs. Cornelius Krabbe and Mrs. Ernest Hasenclever.

COUNCIL BRIEFS

Mr. Len Hogarth, representing West Park Developments Ltd., was present at the regular meeting of Town Council on Thursday November 12th and submitted a request to have Blocks 104, 105 and 106 re-zoned to Residential R1B classification from Residential Reserve.

He stated that in order to proceed with registration of these blocks he must get the matter finalized quickly to proceed with development before his option expires.

Council referred the matter to the Development Board for a recommendation.

To provide additional lots for R1B development, Town Engineer Bill Tuttle submitted plans for a proposed development immediately north of the MacKenzie home on 50th Street and 54th Avenue. The property, owned by the MacKenzie family, would provide an additional ten residential lots using the cul-de-sac access principle.

Cont. on Page 2

MAIN STREET

Some men like the new, wide ties. Other fellows have wives who won't sew buttons on their shirts.

Rookies Shine in Warrior Victory

It was a pre-season exhibition basketball game but looked more like a mid-season battle as the Frank Maddock High School Senior Warrior basketball club pulled out a 43-42 last second victory over a strong hustling Mayerthorpe five. The local team having to outscore their opponents 15-5 in the last quarter.

Down ten points with four minutes in the game left, the local club fought back to tie the score and then go ahead by one point 41 to 40. The Mayerthorpe club scored with 19 seconds left and appeared to have a 42-41 victory when Roger Hutchinson hit Jerry Mastre who had managed to move in behind the Mayerthorpe defence and drove in for the winning fast break basket. There was just not enough time left for the Mayerthorpe team to get back up floor. The final buzzer sounded and joyous bedlam broke loose among the players and spectators.

Three rookies to the senior club came up with great performances in the contest in the name of Jerry Mastre who led the club with a 21 point performance and the winning basket. A second strong performance by Jerry Worobec, who joined the team having moved to the Drayton area from Calgary. The third great effort was by Roger Hutchinson, a guard who opened up the Warrior offence in the fourth quarter.

The Warrior coach's comment on the game was, "the important and pleasing aspect of the game to me was the teams ability to fight back from what most felt was certain defeat and turn the game into victory".

Also playing well for the Warriors were Blair Ibbotson, Barry Swap and Norm Tucker.

Leading the Mayerthorpe five was No 40 Jamie Service whose good outside shooting kept the Warriors under continued pressure. Also playing well for Mayerthorpe were Bill Crockett, Ray Schmidt and Larry Marston.

The Warrior's greatest competitors over the past two seasons, the St. Francis Xavier Rams of

Edmonton will do battle with the local Warrior squad this Sunday afternoon in Edmonton. The reports from here are that they have a strong veteran squad who are waiting to avenge the two Warrior victories of 57-56 and 66-57 of last season.

This promises to be a great game and spectators may locate the school in Jasper Place just north of the Jasper Place High School; game time 3:30 immediately after the junior Warrior-St. Francis contest.

The players making this years senior Warrior club are: Doug Ibbotson, Stan Oulton, Larry Mattoon, Ken Dusterhoff, Barry Swap, Alan Hicks, Blair Ibbotson Jerry Mastre, Jerry Worobec, Roger Hutchinson, Tom McGee and Glen Swanlund.

The team will begin league competition on December 11th when they travel with their sister club, the Warriorettes, to St. Albert.

On December 7th the Harlem Aces team will be in Drayton. The club will also be taking part in the Salisbury High School tournament December 12 along with Camrose, Ft. Saskatchewan and others. The local Warrior tournament will be in December.

FALLIS NEWS

Recent visitors at the home of Mr. and Mrs. Margerison were their daughter Laurie and their eldest daughter Barbara and her husband and son from Edmonton.

A recent visitor at the home of Mr. and Mrs. Mashtaler was Mr. Alex Holosney of Gainford.

Mr. Bill Yegnatoski from White Wood Sand Beach had the misfortune of falling from a ladder and injuring his leg.

Recent visitors at the home of Mr. and Mrs. McCulloch were Mrs. Mashtaler and Mrs. Fell.

Get well wishes are extended to Frances Koflik of Fallis who has been in the hospital these past few days.

The next bingo to be held in the Fallis Community Hall will be on November 27th

COUNCIL BRIEFS

Cont from Page 1

This matter was also referred to the Development Board for consideration.

Mrs. Inez Oscar and Mrs. Bowen, representing the Women's Institute, were present and asked about an alternative location for the W.I.'s rest room proposal since the building promised is now used by Dr. Morden. Council offered use of the F.M.O. room and facilities in the basement of the Town Hall.

Council approved the extension of option on land with Mr. Ralph Wikander to June 30, 1971 for the sum of \$250.00.

Sale of the town's riot gun to the R.C.M.P. for the sum of \$50.00 was authorized by Council.

Bylaw No. 487 for the control of snow vehicles (printed elsewhere in this issue) was given three readings and declared law.

An application from the Curling Club for cancellation of taxes on the building was tabled to a later meeting.

Appointed to represent the town on the Sturgeon River Water Study Area were Councillor Bob Huber and Town Engineer Bill Tuttle.

Council approved the proposed subdivision of Lots 1 and 2, Block 31, Plan 6323 (Double S Farm Machinery location) into smaller industrial lots.

The Royal Canadian Legion Branch was authorized to proceed with plans to beautify the north area of the old cemetery block by construction of a cenotaph and other improvements.

RAMONA NEWS

Congratulations to John and Gwen Melnyk and family of the birth of their daughter Tania on Thursday, November 19th. Gwen and Tania went home on Sunday.

Welcome home to Pat Gruen who came home from the hospital on Friday.

Debbie Putnam spent a couple of days in Drayton hospital last week. We hope you are feeling better now Debbie.

Sharon Putnam reports she had a very nice holiday when she went out to Kelowna, B.C. for her folks 30th anniversary.

Sharon Blatkevitz was home for the weekend and attended the Rocky Rapids supper and dance with her parents.

The Ramona Community League monthly meeting will be held on Tuesday, December 1st. This Friday, November 27th is the Teen hop from 7:30 to 10:30 p.m.

The Girl Guides are holding a tea, bake sale, rummage sale and bazaar in Ramona Hall on Saturday, December 12th. The girls will welcome any donations you would like to give. For further information phone 542-2213 or 542-2226. There will also be a raffle and grab bag. Everyone is welcome. Time is 2:00 p.m. on December 12th.

The Lariat Gymkhanna Club is holding a bowling party for their members on Sunday, December 6th. If you can attend please phone Mrs. Stewart at 542-2252.

Stamp out TB and RD - Christmas Seal your Christmas mail.

WEEKLY NEWS

Way Cleared for Evansburg School

EDMONTON -- The final legal obstacle holding back a proposed high school at Evansburg was overcome recently by the dismissal of an appeal involving the school.

Three judges of the appellate division of the Supreme Court unanimously approved Mr. Justice W.R. Sinclair's ruling in August that the Yellowhead School Division was not remiss by not publishing notice of the proposal for the new school in the Journal.

The appeal had come from a group of petitioners from the Wildwood district, who were protesting the proposed construction of the \$1,200,500.00 school.

Rich Snowmobile Races

WETASKWIN -- The world's richest snowmobile races, with a total purse of up to \$70,000 will be staged at Wetaskwin in February.

The North-Am International Snowmobile Race committee and Alberta Shriners announced recently that they have joined forces to offer the lucrative and unique power toboggan racing event.

Help Rushed to Pakistan

OTTAWA -- Emergency aid was being distributed this week by CARE to thousands of homeless survivors of East Pakistan's devastating tidal wave and cyclone and plans are under way to airlift \$350,000. worth of additional help.

Oxfam of Canada has also launched a nation-wide appeal for funds to help the victims of the disaster which may have killed more than 100,000 people. Funds are being sought for immediate relief and for reconstruction after the worst catastrophe the region has known.

Two Million Development

SMITHERS, B.C. -- The Interior News of this community carried a front-page story this week of the announcement of the town's selection as the site of a 2 million dollar shopping development. The complex will include a large Canada Safeway Store, a junior department store, bank, drug store and other retail outlets.

Hallowe'en Drive Raises \$181.70

The U.N.I.C.E.F. committee is pleased to report that \$181.70 was collected by the children on Hallowe'en night. The money has already been sent to the U.N.I.C.E.F. office.

We are pleased to say that the sum collected this year is the

largest sum yet realized by the annual canvas.

Thank-you to all the mothers who distributed boxes, the children who collected and the residents of Drayton Valley who were so generous.

Karen Hood and Greg Malowney are studying agri-business.

Now, that's good thinking!

Karen and Greg are preparing for careers in two of the many new aspects of agri-business and agri-technology. There are excellent job opportunities awaiting graduates in such fields as agri-chemistry, land resources technology, livestock and feed production, as well as business education, textiles and design. These are just a few of the many courses available. For further information complete and mail this coupon. Address it to the College of your choice:

Summary Regular Meeting Parkland School Committee

Meeting of the School Committee of the County of Parkland No. 31 held in the County Office on Thursday, November 5th. Minutes as recorded by the Assistant Secretary-Treasurer and not officially adopted by the school committee.

Present were Messrs. R. A. Bailey, George Mann, L. N. Miller, Peter Bakker, R. Lent, Don Gylander, J. W. Tyler, Mrs. Elizabeth Howery and Mrs. A. C. Kitzinger, School Committee Members, also Superintendent of Schools, Mr. M. Holman and Assistant Secretary-Treasurer, A. W. Boychuk.

CORRECTION OF MINUTES

It was moved and carried that Section 3 of the report of the School Bus Committee on October 20th be amended to read as follows: Complaints were received from school bus drivers regarding disciplinary action by principals and further investigation was recommended.

Mr. and Mrs. E. Eichenlaub came to see the School Committee regarding school busing. They complain that their daughter is on the school bus too long. She gets on the bus at 8:00 a.m. and gets home at 4:20 p.m. Because the way the route is set up it is impossible to change this without increasing the mileage considerably.

It was moved and carried that the request of Mr. and Mrs. E. Eichenlaub not be granted.

Mr. N. J. Gardner, Architect, and Mr. Dave Sereda, Soil Engineer for the proposed Drayton Valley High School, came to report on the progress of this project. Mr. Gardner explained that the drawings for the school have been delayed considerably because of difficulty experienced with unusual soil conditions and other related matters.

KEEPHILLS NEWS

Mable Bryant is convalescing at the home of a friend in Edmonton after her release from the hospital. Her son Gordon has been checking her furnace while she's away and has it in good working order.

Edward Tattersall plans to leave for work in the northern part of the province in a few days.

A farewell party for Mel and Ila Edge and family was held on November 14th at the Keephills Hall. They will be leaving shortly for Calgary for the winter.

Wayne Clark will be working at Stony Plain for the next two weeks.

Ron MacDougall spent the weekend at home with his parents. Mr. and Mrs. Malc. MacDougall. Ron works in Stony Plain.

Crystal White visited Edmonton last week.

Ed and Wes MacCracken and Malc MacDougall returned from an unsuccessful big game hunt last week.

"Happy Festive Season to all from the Merchants of Drayton Valley"

Report From Parliament Hill

By Allen Sulatycky, M.P.

Wheat, feed grains and oil seeds are the backbone of the Prairie economy, and wield a massive influence on all of Canada's economy. If the dollars from wheat export diminish our balance of trade plunges. If the grain growers are short of cash Eastern industry suffers directly and unemployment rises, to suggest but two results.

For this reason the present government has pursued a four pronged approach to the problem of Western wheat surplus and the

difficulties of the last few years on Prairie farms.

Firstly, new credit terms were provided for countries seeking to purchase grain on the world market. A new government bill allows for the protein grading of wheat so that our product may more accurately fit the need of possible buyers.

Secondly, the L.I.F.T. program (Lower Inventory For Tomorrow) aided farmers to have sufficient income to move into another line of production and to hold down excess wheat acreage and mounting wheat in storage.

Thirdly, a steady rise this year with the new sales policy, of sales of wheat abroad has brought a wave of optimism to the Prairies this fall.

Fourthly, the Honourable Otto Lang announced on October 29th the new policy to stop the wild fluctuations in farm income that have traditionally been the curse of the Western farmers. This feast or famine cycle will be broken by the new policies and programs which will work as follows:

Encourage production in all major crops to equate with markets in each crop through: (a) pricing to producers so as to reduce pressure to produce crops in quantities exceeding demand, (b) a quota system designed to achieve equitable division of market opportunities with minimum distortion of market influence on production decisions, (c) an improved market information system.

Stabilize farm cash receipts from grains and oilseeds by programs designed to: (a) promote a steady and expanding share of

world trade in grains and oilseeds, (b) expand livestock production to increase domestic grain markets and decrease pressures of surplus productive capacity in grains through increased forage acreage, (c) counteract sharp swings in farm cash receipts from grains and oilseeds.

Encourage adjustment of farm units to more efficient sizes.

Two main features are that up to \$10 million annually of Federal funds will go to support grain sales programs. In addition, a grain stabilization plan has been established to pay producers a total of the difference between qualified farm cash sales in any year and the average of the total qualified farm cash sales for the preceding 5 years. This program would be funded by contributions from both producers and the federal government. It will provide a more secure and steady farm income.

I know that many of my rural constituents will be very interested in more detail. Drop me a note at the House of Commons for additional information.

Mr. Sulatycky is representing Canada at the Annual NATO Assembly. In his absence this report has been provided by Murray McBride, M.P. for Lanark-Renfrew-Carleton.

INVESTMENT OUTLOOK

OTTAWA -- the Honourable Jean-Luc Pepin, Minister of Industry, Trade and Commerce, recently released the results of a field survey of the 1971 capital spending intentions of some 200 large companies in Canada. This annual survey is designed to provide a preliminary indication of likely trends in total business investment in the coming year.

Surveyed firms plan to increase expenditures on new construction, machinery and equipment from \$5,960 million in 1970 to \$6,607 million in 1971, a gain of about 11 per cent.

This expected increase in business investment is the result largely of sharply higher spending on a few very large projects concentrated in mining, oil and gas pipe line and electric utilities.

LETTERS

TO THE EDITOR

Editor,
The Western Review
Dear Sir:

Via this column may I take this opportunity of thanking all the organizations that participated in the November 11th Remembrance Parade and Service. These included the R.C.M.P., County of Parkland Police, Elks, Lions, Rotary, Chamber of Commerce, Air Cadets, Scouts, Cubs, Guides and Brownies.

A very big vote of thanks to Mr. Serens for donating the theatre for the service, Father Lynch for the use of the organ, Mrs. Pickup for playing the organ, Rev. McQuaid for his help with

the service and Mrs. Cherrington for representing the mothers. The Western Review for the excellent publicity.

The Air Cadets and Ladies Aux. did a wonderful job of sales with the Poppy Campaign and thank you to all who donated and supported this campaign. The money collected is used in aiding Veterans and their dependants in distress. The Poppies and wreaths are made at the Vetcraft Shop in Ontario and provides employment for disabled veterans.

R.C.L. Branch 269's sincerest thanks to all.

Yours fraternally,
Patrick E. Turner

Editorial Comment

Claresholm Leads Way

With little in the way of effective legislation by senior governments, the town of Claresholm has shown the way with a ban on non-returnable bottles.

The bottles are a major source of litter nuisance and the Claresholm town council is making a strong bid to end the problem.

Details of Claresholm legislation is not available but it does include a \$500 fine for either littering or providing the bottles. In any case, the move is a positive step to end a real problem and will probably stir the interest of many other Alberta town councils.

Big Hunting Thrill

Many TV viewers must have been a little shocked one evening last week with news reel scenes from "Safari Island" off the U.S. West Coast.

The small island, owned and operated by private interests, is stocked with exotic game animals and sportsmen (?) invited to hunt for a fee.

How this passes for sport escapes us. The animals are confined to a small area with no chance of escape and their death is inevitable.

The report also showed a ridiculous (but brutal) sequence of four men, hunters and guides, equipped right down to safari hats, stalking a ram of some sort that was lying in a field. The animal stood and watched with curiosity the approaching hunters -- then at short range it was blasted to death.

The "sick society" gets sicker with every passing day.

Thin Ice Warning

An urgent warning from the Department of Lands and Forests and the Alberta Safety Council calls on everyone to stay off the ice on the lakes and sloughs in the Province for the next few weeks.

"Fish and Wildlife Officers from many areas are calling in to report dangerous thin ice conditions," says C.E. Haglund of the Department of Information and Education Division.

Thin ice can be very deceptive, the Safety Council warns. Ice might look thick enough, yet it may be a trap awaiting the unwary. This warning applies to everyone -- hunters, skaters, hikers, or snowmobilers.

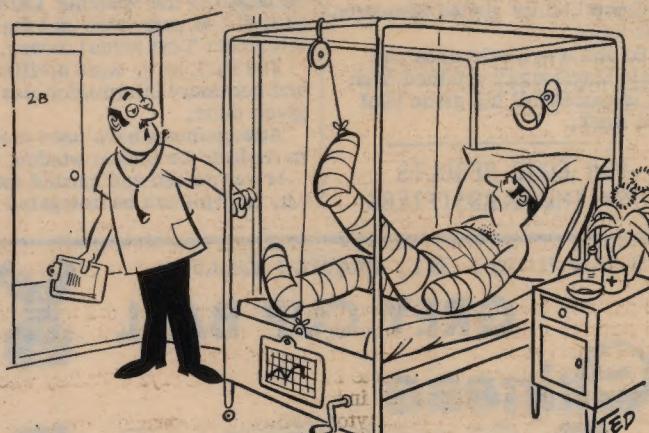

The Alberta Safety Council points out that it will be several weeks before ice conditions will permit free travel by snowmobiles or other vehicles. While many may want to try their snow vehicles out, they must remember to stay off the ice.

In late November two years ago, three ice fishermen died after their snowmobile fell into open water in the middle of a lake in Northeastern Alberta. This tragedy stands as a terrible reminder that even the lightest vehicle must have ice thick enough to support both machine and occupants.

A minimum of four to six inches are needed before a snowmobile can be taken onto an ice surface in any safety. More than that is recommended. Wait for ice more than ten inches thick before taking heavier vehicles onto ice.

Wherever fast flowing water might undermine the ice, always be sure to test carefully with a probe before venturing across.

A good point to keep in mind is that without pontoons, your snowmobile will sink like a stone.

"One more thing... when we took the X-rays we found gall stones."

November 25, 1970

As stated last week, The Western Review is prepared to present both sides of the airport controversy. The views of two writers are presented here.

An Analysis of the Proposed Airport

By W. G. Tuttle, P.Eng., Town Engineer

In recent months the people of this community have been aware of a group promoting the construction of a combined airport and industrial park 3½ miles north of Drayton Valley.

The intent of this letter is to review and analyze the statements and facts released to date; in order that the people of this community may understand the significance of this project. It is to the benefit of all concerned to understand the long term financial commitments to the taxpayers of the town of Drayton Valley.

BACKGROUND

In June of this year a proposal was made to the department of Transport that the Federal Government provide assistance to the town of Drayton Valley in the construction of a paved airstrip of 4000 feet in length. As the existing Mobil Oil Canada airstrip was 4,200 feet the site was planned to expand to 5,000 feet along with an additional 2000 foot strip at approximately right angles to the main strip.

In addition the development of the airport would include: -- an industrial subdivision and a special residential subdivision for a limited number of dwelling units.

Recently the Department of Transport has surveyed the site in order to estimate a construction cost for a 4000 foot runway.

The Department of Transport has made known that prior to approval in principal the town is to make a firm commitment that it will: -- acquire the necessary land (free of any encumbrances); protect the flightway approaches to the runway ends; that the "town" will enter into a firm agreement with the federal crown to assume full responsibility for the operation and maintenance of the airport as a publicly licensed facility. To date the town has not complied with the above (subject to ratepayer approval).

STATEMENTS AND FACTS

1. STATEMENT -- The Department of Lands and Forests will establish a water bombing base as required and warehousing facilities. Land area -- 100,000 square feet.

FACT -- Although not interested in participating in the cost of construction, Lands and Forests would be interested in the purchase or lease of a small area of land.

2. STATEMENT -- Projected development of air ambulance

services.
FACT -- Town Council has agreed upon a vehicle ambulance service with the County of Parkland and other municipalities for a town cost of approximately \$2000 per year.

3. STATEMENT -- Construction will be done with County of Parkland No. 31 equipment and operators at nominal cost.

FACT -- County Council may consider doing dirt work when plans and cost estimates have been prepared and if programming for equipment can be arranged.

4. STATEMENT -- Projected utilization of industry that cannot be accommodated at the Edmonton Industrial Airport.

FACT -- Of 16 oil companies operating in the Pembina Field, 13 stated that the proposed airstrip would be of limited value to their respective companies. Two companies cited an easy driving distance from their Edmonton office as reasons. Three companies supported occasional use to an estimated total of 49 departures per year. Two companies will still operate from the existing Mobil Oil Canada strip.

Mobil Oil Canada Limited currently use their own strip over 200 times per year.

5. STATEMENT -- The need of Drayton Valley to establish a position in the air freight field.

FACT -- There already exists truck transport and "Hotshot" service which serves the area, handling all items including those not suitable for air transportation. Items can be delivered to destination in Drayton Valley without the second handling charges at the airport.

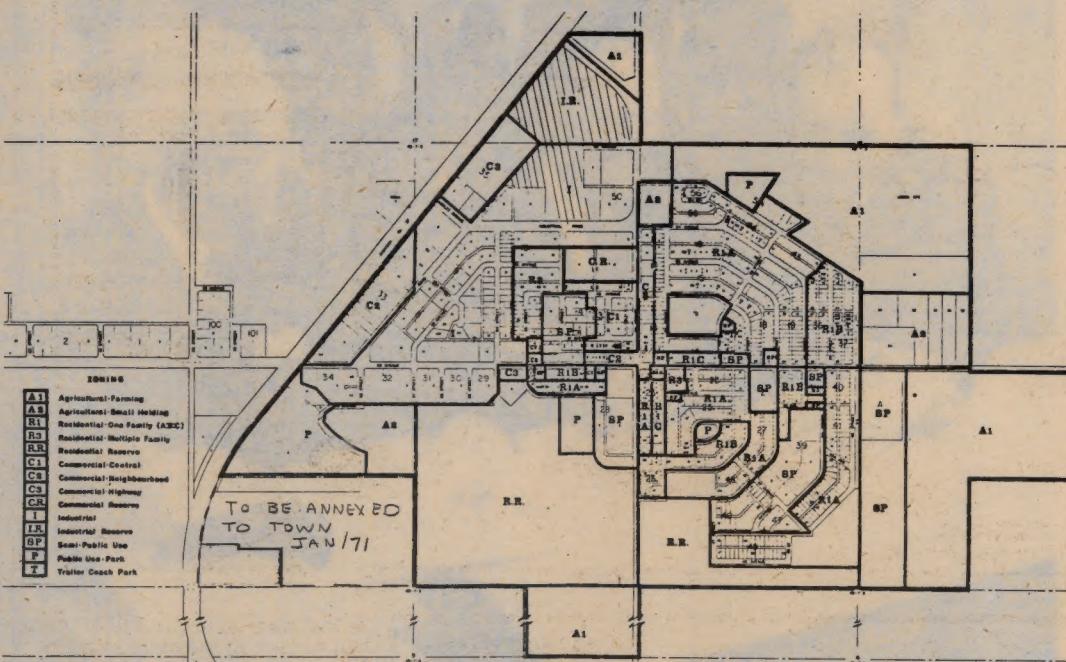

REVENUE STATEMENT

A number of Revenue Statements have been drawn up using rates in effect at Ponoka with some modifications.

The Ponoka strip would be of little benefit to the estimate of revenue for the proposed town strip. Ponoka is situated on the main fly route between Edmonton and Calgary and has many more farmers in the area owning aircraft. This was shown recently by the Fly-In at the Mobil Strip from Ponoka.

It has been stated that there is no money in pleasure aircraft but more than 22% of the airport revenue is anticipated from this source.

For the initial input it is anticipated that revenue will be re-

ceived from five hangers (in addition to Galaxy Aviation) plus fifteen Tie-Downs. The existing Mobil Strip has averaged no more than half a dozen aircraft over the last few years. The initial revenue input is too high.

Further gas sales (based on Ponoka figures) are estimated at 50,000 gallons per year. Gas tank sizes vary from 20 to 40 gallon's for the majority of the type of aircraft being considered. If one considers a top figure of 40 gallons with 25% left over at the end of each flight, the maximum refill at any one time is 30 gallons. If every aircraft filled up at Drayton Valley (which is unlikely as the cost of fuel is higher) the use of 50,000 gallons per year would mean the airport would serve 1670 operations in its first year of operation.

As stated before Mobil Oil Canada Limited, the largest company in the area to use air facilities estimates the continued use of their own strip at 200 times per year.

Further over 25% of first year revenue is expected from the Lands and Forest (for rental of 100,000 square feet plus) for only a expression of interest in the purchase or lease of a small area of land.

The only known items of revenue which can be determined with any degree of accuracy is the oil well surface rentals and miscellaneous revenue for agri-

cultural land; total 12.3%.

In conclusion on the discussion of revenue, over 60% of the revenue figures are in question.

PROJECTED EXPENDITURES

Any viable business must provide the services in order to charge a prescribed fee. This is even more so when those services are provided by a corporate body, such as the town, when matters which effects the health and safety of the public at large are involved.

As stated in the revenue discussion value is being received from private hangars, tie-downs, and possibly two tenants. Correspondingly these services have to be provided.

By the same token it is not just satisfactory to say that a bid has been received for \$2000. for snow removal only; as even a long term basis this would not even pay for capital payback and operation.

A proper figure has to be realized due to the fact that the operation has to go on for at least the life of the debenture, which would be twenty years. After the initial year, the town may likely pay three times this figure for winter and summer maintenance, as more runway is added and an additional crosswind strip constructed.

No expenditures have been considered for the cost to extend the paved strip to 5000 feet or the cost to construct the 2000 foot crosswind strip.

It might also be said that the length of strip and the design standards of such a paved strip would be of benefit to one or possibly two tenants. These tenants should pay more than the light aircraft users in order to offset the higher capital construction costs.

CONCEPT

In discussing concept it has been said that this project would be the only one in Western Canada with the inference that the Edmonton Industrial airport would be a close companion. In this venture, Drayton Valley would be competing against Edmonton which has a larger labour market that provides a much greater magnitude of services.

In the "Airport Study" of the Edmonton Industrial Airport, undertaken by the Edmonton Regional Planning Commission in 1969, the planners stated "The financial outlook of the airport is good, it is anticipated to produce a profit in 1968 for the first time in many a year. For the most part, this year's profits will probably be expended for overdue capital improvements at the airport". This airport ranks 7th in intercity aircraft movements and 6th in local aircraft movements in Canada.

INDUSTRIAL SUBDIVISION

Any Industrial Park Subdivision is best located within the town boundary where the tax revenues can go to the town rather than to the county. Land is available in the Industrial and Industrial Reserve Zones which can be serviced more economically into the town existing utilities than by constructing duplicate facilities at the airport. (See Zoning Sche-

dule 'B' above.)

RESIDENTIAL SUBDIVISION

The same is true for the residential subdivision concept; a concept which has still not been finalized. The net effect of a residential subdivision will be to the benefit of the Rocky Rapids hamlet.

Municipalities like to obtain industrial tax revenue. An example of this is the effort the town went to extend the town boundary one mile to the south in a finger 1/4 mile wide in order to add the taxes from the Goldiad Ltd. plant to the town revenue.

Taxes from a proposed airport development which go to the County, or at best negotiated to nil, do not help the ratepayers of the town of Drayton Valley.

CONCLUSION

A similar project, to the one being promoted for Drayton Valley was proposed to the Town of Hinton (population 4461). The proposal's were rejected by council as having little benefits to the taxpayers of Hinton compared with the initial expenditures and the long term financial commitments involved. Subsequent to the request, the interested parties have completed their own construction of a 5000 foot airstrip 15 miles out of the town of Hinton, obtained their Department of Transport Licence, and have secured a charter service.

The people of this province and more particularly Western Canada have experienced one of the tightest money years in more than a decade.

The tight money situation has strengthened the already sound financial planning principle of "priorities".

On the list of present town commitments is the expenditure of:

- \$50,000 (approximately) for the town portion of a new high school gymnasium to be used for a wide variety of functions.
- In addition to this there exists a further 2 year paving program (in the planning stage); which is estimated to cost \$360,000.00. It is recognized that part of this sum is borne by the town at large.

From the above it is evident that we must do everything to benefit the people of Drayton Valley but caution must be exercised for taxpayer expenditures for the benefit of only a few.

BURTONSVILLE NEWS

Eldon and Marg Greanya were Sunday visitors to Mewasin.

Rev. John Kennedy attended a Temperance Board meeting held at Juniper Lodge.

Lewis Homme visited his mother recently.

Len and Judy Ratke and family visited her folks, Mr. and Mrs. Adrian Charlet.

Lucas Peskunowicz is the owner of a new Datsun car.

Congratulations to Charlotte Charlet and Gary Pick on their recent engagement.

Use Christmas Seals

Several Reasons Why the Proposed Airport North of Drayton Valley is not Feasible

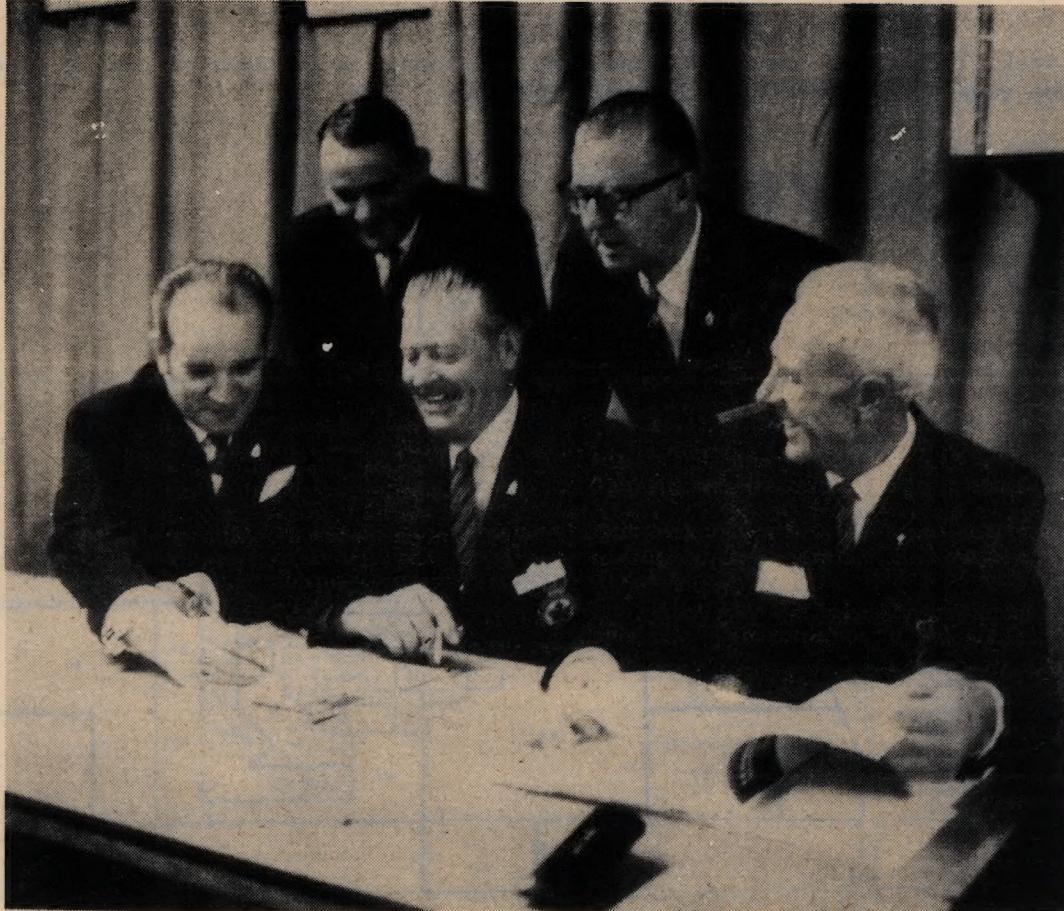

- (1) Drayton Valley is fortunate in already having an airport which is one of the best in the province for a small town, at no cost to the town thanks to Mobil Oil Canada Limited and Amoco Canada Petroleum Company Limited.
- (2) If a second airport is feasible for the Town of Drayton Valley with 3700 population, why should the town be burdened with a substantial part of the cost for something 4 miles outside the town limits. Surely if this is such a good thing for the surrounding area and town monetary wise, a person would be inclined to think that there would be individuals or companies ready to build it on their own.
- (3) The Provincial Development department claims the chances of any primary industries situating in the towns and city between Edmonton and Calgary are almost nil, if that is the case, Drayton Valley's chances are surely nil in that respect. Red Deer for example, is not able to attract any primary industry.
- (4) No primary industry will situate close to a town where the water supply is fed by water wells.
- (5) No primary industry will situate upstream from Edmonton where their effluent may enter Edmonton's water supply such as is the case at Drayton Valley.
- (6) No primary industry will situate in a town like Drayton Valley where the wage scale is as high as it is here unless it is related to oil industry.
- (7) There is no labour pool at Drayton Valley or surrounding area.
- (8) Our mill rate is one of the highest now of any town in the province, why increase it for a white elephant such as a second airport.
- (9) The town of Drayton Valley is already committed to other capital projects for the year 1971, and therefore cannot afford any more capital expenditures at this time.
- (10) Our public works department is taxed to the limit now, why overburden it furthermore with this project.
- (11) Some of the figures already published as to the cost of operating the airport are unrealistic. The operating cost to the town will undoubtedly be far in excess to what the airport committee are forecasting.
- (12) We already have the evidence of a fiasco at the bridge over the Saskatchewan River 5 miles east of town, namely, "Klondike Kampers", let's not have a similar thing 4 miles north of Drayton Valley.

Do we need a second airport? The answer is no.

Can we afford a second airport? The answer is no.

On January 6, 1971 there will be a plebiscite on the proposed airport -- make sure you mark your ballot NO.

LLOYD MacLEAN
Mayor of Drayton Valley

Shown above are members of the panel who took part in the Canadian Legion Leadership Seminar held here last Sunday. Front row, from the left, Alex Bayrak, Edmonton, Commander of District 2; Rulon Hirsche of Fort McLeod, Provincial 3rd Vice-President; Jack Chapman, Stettler, Provincial 2nd Vice-President. Back row, Pat Turner, President of the Drayton Valley Branch and Stan Walpole, Calgary, Provincial Secretary.

Buck Lake H.S.A. Name Officers

The October meeting of the Buck Lake Home and School Association was held the evening of 7th, and Bev Siegel recorded and read the minutes of the June meeting in the absence of the secretary-treasurer, Betty J. Bouck. LeOpal Larsson was re-elected as President. Ron Krysta was elected Vice-President. Bev Siegel and Pearl Schent were elected as program committee.

The November meeting was held on Wednesday evening of the 4th, with the president in the chair. Betty Bouck went back in as Secretary-Treasurer. There were fourteen members present.

The Christmas parties were discussed. School is to be dismissed on December 18th this year. A concert will be put on again this year by Mr. and Mrs. Jason. The date is Wednesday evening December 2nd.

The shortened noon hour was discussed and a motion was made to send the signed papers to the County.

Judging of the coloring contest contributed by the Alder Flats Legion took place. The results are as follows: Grade One; first

Glen Miller; second Faye Mickie; Grade Two; first Roxanne Patten; second Cathy Brown; Grades three and four first Joanne Mickie; second Todd Krysta. Grades five and six, first Doris Brunch; second Shannon Anderson.

The banner was won this month

be Mrs. Freda Jason. Coffee and lunch was served by Mrs. Fullerton, Mrs. Larsson and Mrs. Olga Adams.

The winners of the coloring contest received their awards at the Legion Memorial Day at Alder Flats on November 11th.

ALBERTA IN ACTION MAINTAINING EFFECTIVE STANDARDS

License protects buyer and seller

To maintain a high degree of business ethics within the province of Alberta, provincial and municipal governments have established a set of standards under which various classes of business establishments must operate. Proof that such standards are being met lies in the exhibition of a license issued by the Alberta Department of Industry and Tourism. An establishment which displays this certificate meets the qualifications prescribed as to staff and premises. The Licensing Branch of the department, on receipt of application for a license, refers the facts of the application to the applicable provincial agencies and the municipality in which the business will operate. On receiving assurance that the required standards are met, a license is issued. If, on a report from another government department or from the municipality, the Branch learns that the operation has dropped below standard regulations, the license is suspended until the situation is corrected. If the necessary changes are not made, the license will be cancelled.

Licensing protects not only the purchaser, but the vendor as well, through the elimination of unfair competitive practices and misrepresentation of products or services.

Labour standards keep pace

Management and labour are represented equally on the governmental body which sets Alberta labour standards. The Board of Industrial Relations, has within its many functions the important responsibility for the establishment of those standards, and is made up of two members from management, two from labour organizations, and a Chairman. It has jurisdiction over such factors as the determination of the minimum wage, general holidays, length of vacations, and hours of work. Through public hearings and reception of briefs from both management and labour along with surveys of economic conditions in the province, labour standards are revised to contribute as greatly as possible to maximum employment, improved working conditions, and industrial peace.

Normally, hearings are held every four years, but are arranged more frequently when changes in social structure, living costs, and working conditions indicate the need.

The administrative staff of the Board of Industrial Relations, a branch of the Alberta Department of Labour, are responsible for the enforcement of the established labour standards.

Land title search simplified

The complete history of each parcel of land in Alberta is recorded on a "title"; a page in the record books kept by the province's two Land Titles Offices. It gives the name of the owner and legal description of the land. As the land changes hands, all dealings are registered and noted on the page. This system makes it possible to provide complete information on each parcel of land quickly and accurately and at little cost to the person seeking the material.

In order to search a title, it is necessary only to come to the counter of the Land Titles Office, provide the legal description of the land concerned, and it is made available almost immediately. This makes Alberta one of the few jurisdictions in the world where the current state of the title can be accurately ascertained at a minimal cost to the person registering the documents.

The Land Registration Offices of the Alberta Attorney-General's Department also maintain an Assurance Fund, which is used to pay for any costs incurred by an error committed by the Land Titles Office in registration of documents and issuance of titles and abstracts.

Workers' health protected

Regular and frequent inspection of Alberta's industrial working environment for occupational hazards created by dust, noise, and toxic substances, provides a constant safeguard for the health of employees. The province's Industrial Health Service maintain a constant vigilance to ensure that the working environment is conducive to good health. If a problem is discovered, this branch of the Department of Health determines its nature and recommends solutions to the employer, whose responsibility is the removal of the condition. Inspections may be carried out at the request of the company, that of other government and regulatory agencies, or as an industry study initiated by the branch itself.

Radiation protection is another facet of the services provided. Industrial Health Services conduct a survey of X-ray, micro-wave, and laser equipment in the province to ensure that the basic safety standards are maintained. For new installations, the branch is required to inspect the plans, approve the building, and to see the equipment in operation before it is put into actual use.

Company facts public record

For persons considering dealings with any Alberta incorporated company, or extra-provincial corporation, information is maintained by the Companies Branch of the Alberta Provincial Secretary's Department. Each company incorporated in, or doing business in, the province must register with the Branch which maintains a file on the firm. This includes such information as office location, names of directors, authorized capital, classes of shares and any charges registered against the assets of the company. Each year, an annual report must be filed with the Companies Branch, indicating any changes in directors or share capital structure.

Records available include those companies which incorporated in the Alberta section of the Northwest Territories prior to 1905. The Branch retains the records of companies which have gone out of business or which have amalgamated with other companies.

Utility rates 'balanced'

Alberta's utility services, and the municipalities they serve, are not always in agreement as to what constitutes a "fair rate". For this reason, when a rate increase is requested by a public utility company, the jurisdiction of the raise is judged by an objective third party; the provincial Public Utilities Board. On application for an increase in rate, the Board institutes a public hearing at which it hears evidence, and arguments from both the utility company and the municipalities it serves. The Board must determine if the rate is fair to the customer and still permits the company a reasonable return on its investment. If so, the increase is permitted. Jurisdiction of the Board does not extend to municipally-owned utilities, unless they so elect.

The Public Utilities Board may also hear complaints from Alberta residents who consider municipal utility charges do not conform to the municipal utility rate structure; are improperly imposed; or discriminatory.

ALBERTA GOVERNMENT SERVICES MOVE IN MANY DIFFERENT DIRECTIONS

TOWN OF DRAYTON VALLEY **Snowmobile Bylaw**

Bylaw No. 487

A Bylaw to control the operation of motor toboggans within the Town of Drayton Valley.

WHEREAS many persons are operating powered toboggans within the Town of Drayton Valley on public streets and lanes, in public recreational areas including open parkland, ravines, natural beauty spots and the like; and

WHEREAS powered toboggans operate at speeds which may make them a source of danger to pedestrians or which may result in damage to trees or dormant turf or shrubs or fences or other park property; and

WHEREAS it is deemed necessary in the interest of effective control of recreational areas for the majority of users to control and regulate the use of powered toboggans on lands owned by the Town;

NOW THEREFORE the Municipal Council of the Town of Drayton Valley enacts as follows:

1. Definitions

- (a) "Powered Toboggan" means any motor propelled conveyance seating one or more persons which moves on a ski or sled.
- (b) "Parkland" means every recreational area owned or controlled by the Town within the limits of the town whether such parkland is improved in whole or in part or remains in its natural state but shall include other neighborhood beautification areas and publicly maintained areas administered by the Recreation Department of the Town.
- (c) "Permitted Area" means such locations or areas in Parkland as the Council of the Town of Drayton Valley designates as suitable for powered toboggans.

2. (a) That the streets and alleys within the Town be used only to proceed to or return from an area designated for powered toboggans with the exception of the business section bounded on the East by 50th street, on the South by 50th avenue, on the West by 52nd street and the North by 54th avenue.

(b) Streets shall not be used to travel to a designated area after 10:00 P.M. but may be used to return until 1:00 A.M.

3. Operators of Powered Toboggans

- (a) May travel only in single file on streets at a speed no greater than ten (10) miles per hour.
- (b) May not be operated on private property without the consent of the owner or on sidewalks or posted areas.
- (c) Shall use rigid hitch or tow when pulling a sled or toboggan within the Town limits.

4. Rules for Use of Powered Toboggans

No person shall operate a powered toboggan upon any parkland except at a location therein designated by the Council of the Town of Drayton Valley and marked by signs and in accordance with the following rules:

- (a) He shall first obtain public liability and property damage insurance coverage with limit of at least \$10,000.00 and proof of such insurance must at all times be carried on the toboggan to be produced to Town Police or other officials when requested.
- (b) Every powered toboggan so operating after sundown shall be equipped with one electric head lamp at the front and one electric tail light at the rear of the toboggan.
- (c) No person shall operate a powered toboggan without a stock muffler which is in good repair and properly affixed to exhaust port.

5. Powers of the Council or Its Authorized Officials

- (a) The Council or its authorized officials may close even the permitted areas to powered toboggans when in its judgement the snow depth thereon is insufficient to prevent damage to the parkland or when ice conditions create what he considers to be an unduly hazardous situation or when he is satisfied that for other reasons powered toboggans should not be permitted therein.

(b) Unless the Council or its authorized officials grants special permission in writing no rally or race involving powered toboggans shall be held in the permitted areas.

(c) When a "Closed" sign is posted at any permitted area no person shall operate a powered toboggan therein.

6. Impoundment of Snow Vehicles

Any snow vehicle may be impounded for a period not exceeding Forty-eight (48) hours by the Law Enforcement Officials of the Town of Drayton Valley, when and if such snow vehicle is being operated in a dangerous and/or negligent manner and/or not to the common good and/or in contravention to existing snow vehicle legislation.

7. Offence and Penalty

Every person who operates a snow vehicle

- (a) without due care and attention, or
- (b) without reasonable consideration for other persons or property

is guilty of an offence and liable on summary conviction to a fine of not more than \$1,000.00 and in default of payment thereof to imprisonment for a term of not more than six months or for a term of six months without the option of a fine.

8. Offence

Every person who contravenes any provision of this bylaw or the regulations of the Act respecting Snow Vehicles of Alberta, 1969, and amendments thereto, is guilty of an offence.

9. General Penalty

Except as otherwise provided in this Act, a person who is guilty of an offence under this Act or the regulations for which a penalty is not otherwise provided is liable on summary conviction to a fine of not more than \$100 and in default of payment to imprisonment for a term not exceeding 30 days.

EVANSBURG

NEWS

Sorry, folks to have missed the news last week. I had the opportunity to attend a 4-H Conference for leaders in Edmonton and was in the city when news writing deadlines came round. Others attending the same conference, from around the district were John Ohnysty from Hollysprings and Willie Brennenstuhl.

The Armistice Day parade and service which took place on the 11th was very well attended. A large number of people took part in the parade, including a large number of youngsters from the Scout, Cub and Brownie organizations. Services were held in the High School Auditorium and lunch was served afterwards in the basement of the Legion Hall.

The second meeting of the 16A 4-H tractor club took place at our home on the 17th. Of the many topics discussed was the fact that money would have to be raised to pay council dues. The members decided to hold a bake sale in both Wildwood and Evansburg on the 12th of December. Members of this club came from the area bounded by the Drayton Valley road, on the east to the Cynthia road on the west. Their club reporter will send in a fuller report of their activities.

The Field Crops and Beef 4-H clubs held their second meeting in the basement of the United Church on the 13th. Their main topic of business was plans for a Christmas party. It was noted the calves had all been weighed in and tagged on November 6th. Their club reporter, too, is to send in a more comprehensive report of their club activities.

The United Church women are holding a tea and bake sale in the basement of the United Church on Friday, November 27 from two to four thirty in the afternoon. Their last meeting was held at the home of Mrs. Marc Peterson and the next meeting will be held at the home of Mrs. Stella Lorenz, on December 9th. This will be a Christmas meeting where the members exchange gifts.

Ice is now being made in the Centennial Arena and should be ready in the not too distant future. Progress is also being made on the rebuilding of the curling rink and it is hoped that some curling may be done this year in the new building.

Mr. Bruner spent several days in the city this week undergoing medical checkups. Sympathy of the district residents go to Mrs. Frank Schroder and her family on the sudden passing away of her husband, Mr. Frank Schroder, a well known district resident.

A single cod fish may produce as many as 9,000,000 eggs.

Teachers' Institute at St. Anthony's Friday

A Teachers Institute has been planned for Friday, November 27th at St. Anthony's School, Drayton Valley. The purpose of this institute is not only to share ideas with other teachers, but also to share ideas with University personnel doing research.

This day is provided to encourage teachers to up-date their teaching methods, and thereby to provide better service to young people in our schools.

Approximately 225 teachers of grades 1 - 9 from the County of Parkland, St. Anthony's School and 9 teacher guests from Yellowhead, Lac Ste. Anne, and Leduc Counties will meet. Members of Parkland School Committee and Drayton Valley Separate School Board will be guests at this gathering.

Mr. M. Holman, Superintendent of Parkland County will

give the welcoming address to the teachers and guests.

Guest speakers include five from the University, three from Edmonton Public School Board, one from Parkland Recreation Board, and some local talented people. Topics to be offered are the following: reading for elementary and junior high teachers; music for elementary teachers; and creative dance for physical education teachers.

This Institute is sponsored jointly by Drayton Valley Separate School Board, Parkland Local ATA, and Parkland County.

Planning for the Institute was carried out by the Parkland ATA Local Professional Development Committee. Members of this

committee are Mrs. M. MacDonald, Chairman, Drayton Valley; Mrs. H. Lingard, Secretary, Drayton Valley; Mr. W. Wilson, Assistant Superintendent, Stony Plain; Mrs. Kritzinger, Stony Plain, Parkland School Committee representative; Mr. D. Harrison, Drayton Valley; Mr. T. Mitchell, Drayton Valley; Mr. J. Hrasko, Principal at Winterburn; Mr. S. Ibsen and Mrs. C. Telaskey and Mr. J. Burk all from Stony Plain Schools; Mr. J. Williamson, Seba Beach; Mrs. J. Cymbaluk; and Mr. W. Gulka, Lodgepole. Convention representatives on the committee are Mr. I. Miller, president of ATA Locals; Mrs. E. Scheideman and Mr. M. Goerzen all from Stony Plain Schools.

Are you ready for Xmas? The Mother's Day Out Program in Drayton Valley on December 2nd will be on Xmas Decorations. To get you in the Xmas spirit, we have planned two sessions, December 2nd and December 9th making Xmas Decorations.

Please bring along the following materials; notebook and pencils, scissors, paper for copying patterns, medium weight tissue paper, needle and thread, 1/4 page bond fast glue.

See you Wednesdays at 1:00 p.m. at the Drayton Valley Arena. Everyone is welcome.

COMMUNITY EVENTS:
Wednesday, December 2nd - Xmas Decoration, Mrs. Whelan and Mrs. Beck, Drayton Valley Arena from 1 - 3:30 p.m.

Wednesday, December 9th - Xmas Decorations, Mrs. Whelan and Mrs. Beck, Drayton Valley Arena from 1 to 1:30 p.m.

Co-ed on a budget -- "I want a glass of water in the radiator, a teacup of oil for the crankcase and a pint of gasoline. I think that will be all".

Attendant -- "Couldn't I cough in your tires?"

Evansburg

Arena Open

Evansburg and District Centennial Arena has opened for the second season of skating. This year additions have been made in the form of bleachers for the spectators; as well some painting has been done on the interior.

As this is the only covered skating area for some miles around, many people make use of it, and it is hoped many more will come and use the facilities provided.

BUCK CREEK NEWS

A miscellaneous shower was held in the hall on November 1st to honor Miss Judy Mills whose marriage to Mr. Kenny MacDonald will take place on November 28th.

Miss Bev Gailey has been a patient in the Drayton Valley Hospital undergoing tests and x-rays.

Congratulations to Miss Barbara Hogarth whose scholastic standing has enabled her to advance from grade nine into grade ten this past week.

Visiting at the Pete Hawryluk home are Mrs. Hawryluk's brother and sister-in-law, Mr. and Mrs. Christensen from Tacoma, Washington.

Mr. and Mrs. Brian Thronson, (nee Linda Melin) and Rocky of Fort MacMurray spent the past week visiting the Stan Melin home, and Mrs. Thronson of Winfield.

Mr. and Mrs. Art Regenwetter are in Calgary for the weekend attending a convention.

The next Community Club meeting will be held on December 2nd. Due to the resignation of the present executive a new slate of officers will have to be elected.

The November meeting of the B.C.W.W. was held at the home of Mrs. Lil Gailey with 11 members present. The next meeting will be held December 17th at the hall. Candy bags will be packed at this time.

The next Immunization Clinic will be held at the school on December 2nd from 1:00 -- 3:00 p.m.

The next Community Club Bingo will be held Friday, December 4th.

The pick of the hops makes the pick of the beer.

Hops do beautiful things to beer. They give it memorable flavour. "Hopping" is the art of blending hops into the brew so the flavour of the beer never varies. That's an art we cultivate for Calgary Export Lager. Our hops come from the World's great hop growing areas. We select them with care, pick them with gentleness, then blend them at precisely

the right moment. After all, we love our beer, and because we want you to love it too, we never compromise. Next time you thirst for something beautiful, enjoy the famous taste of Calgary Export Lager Beer.

Below, Brewmaster A.J. Kerr and Brewers R. Piesanen and S.C. O'Brien inspect the quality of 1970 hops.

Brewed Naturally
with our own Pure Spring Water

*Brewed by

WABAMUN NEWS

Mr. and Mrs. Gordon Skutle and Mr. and Mrs. Oscar Skutle of Edmonton were out to help Mrs. K. Skutle celebrate her birthday which was November 15th. I will say "Happy birthday, Mrs. Skutle", even though it is late.

Belated birthday greetings also go out to Mrs. R. M. Watt who had a birthday on November 9th. Several members of the Wabamun W.I. attended the Handicraft tea at Sangudo on November 17th.

After the judging of articles a lovely lunch was served, which all enjoyed very much before starting home.

Mr. and Mrs. R. M. Watt have returned home from their holiday in Hawaii and they report a wonderful time and they say the weather was grand.

Mr. and Mrs. K. Skutle and Miss Hilda Margerison attended the 25th wedding anniversary of Mr. and Mrs. Gordon Skutle in Edmonton November 6th.

Several ladies gave Mrs. Dorothy Gunn a surprise party on her birthday which was November 17. Everyone enjoyed reminiscing over olden days as well as the more recent ones and many laughs were had by all.

Mr. and Mrs. Harold Miller attended the Miller-Kennedy wedding on November 7th. Mrs. Kennedy (nee Miller) is a niece of Mr. Harold Miller.

LOGEPOLE NEWS

A Ham and Turkey Bingo is to be held on Tuesday, December 1st at 7:30 p.m. at the Community Centre. Come and win your Christmas dinner.

Mr. R. Mailer has gone to Edmonton for medical observation. We hope good health is not long in returning.

The Kyle family have moved to Big Horn after a two-week delay in their plans.

ADULT BADMINTON STARTS MONDAY

Badminton will start Monday, November 23rd at the Drayton Valley Junior High School from 8:30 -- 10:30. There will be four sessions before Christmas, and the fee will be \$1.00 for that time. If facilities are available after Christmas, we will charge as such.

You must supply your own racket, please wear running shoes. We will supply the birds.

Edges on the Figure Eight

There are three categories of competitive skating-singles, pairs, and dance. Singles consist of compulsory figures and a free style program.

ENTWISTLE NEWS

Once again another old timer has passed away and we wish to extend sympathy from the district to Mrs. Anna Clark and family in the recent death of Mr. Pete Clark.

A number of events are planned to take place at the 16th anniversary of the Entwistle Community Church on November 28th and 29th.

Saturday evening in the Community Hall, a brass choir from the Three Hills Prairied Bible Institute will present a concert. This begins at 8:00 p.m. and all are invited.

On Sunday, November 29th there will be Sunday School at 10:00 a.m.; Worship Service at 11:00 a.m. and at 2:30 p.m. another service which will be followed by a Fellowship Supper in the Church basement.

Mr. and Mrs. Norman Meisner attended weddings of two relatives this past weekend.

Mrs. Linda Starling is reported as being very sick after being moved from Drayton Valley to the University Hospital in Edmonton. All in Entwistle say Hi Linda and we sure miss you.

Muriel Johnston is still in Edmonton at her daughter's home.

Gordon Oliver and Lorne Skare are again home from King Christian Island. We have been busy looking at pictures that Gordon has taken of the gas well that is burning there. Gordon spent a few days at Yellowknife with his Aunt, Uncle and cousins. He also enjoyed Leslie Jardine's company while there. The report of the north was very favorable but would like to see it in the summertime.

Sharon and Jim Wark of Calgary were visitors at the Messenger home on the weekend.

Lila Bancroft spent several days in Edmonton recently staying with her sister who is recuperating from an operation.

Winners at the Elks Whist which was held on Saturday, November 14th are as follows: Ladies--first, Lil Hanson; second, Mrs. Gay; Con, Margaret Oster- tag. Men -- first, Mr. Gay; second, George Hamar; Con, Gordon McKenzie.

Door prize was won by Leo Saretsky. The next whist drive will be held on November 28th at 8:00 p.m. in the Elks Hall.

MAGNOLIA NEWS

Mr. and Mrs. Manchester with their children attended a birthday party for their nephew in Drayton Valley on November 11. Both of the children and the adults thoroughly enjoyed the skating which was part of the party.

Recent visitors in the community were Mrs. R. E. Brown Sr., Mr. and Mrs. H. G. Brown all of Edmonton and also Mr. and Mrs. Harold Anderson of Fallis.

Mr. and Mrs. Landsiedel of Swan Hills spent Sunday, November 15th with Mark and Sofie Chechotko and family.

Hunting season has meant unproductive hunting for some of our local hunters while others went to distant localities and were lucky.

Colleen Campbell with five of her grade five class mates namely Pat Liviniuk, Dianne Sawchuck, Donna Wirstull, Barbara Musynski and Darlene Kallhy took part by singing in the Search for Talent which was held at Evansburg on November 14, 1970. These young ladies all attend school at Seba Beach and call themselves the Invaders and were lucky enough to win an Honourable Mention during the Saturday show. Miss Marilynn Langford was their accomplished pianist.

Community Band Begins Practices

On October 15th twenty interested people launched the formation of a Brass and Woodwind Band. A committee was formed and within a week instruments were signed out and practise began.

Practise sessions are slated for Mondays at 7:00 in the Town Hall. When available the Council Chambers are used, when not, the group retreats to the Civil Defense Room in the basement.

This new band is in a favourable position in that some of the most expensive instruments were left by the previous town band. Also about two to three hundred dollars worth of music sheets and instruction booklets are available. Some of the beginners are presently using the instruction manuals.

Mr. Al McKillop (president of the former band) has guided the organization procedures and provided the necessary information required for the formation of the new band. Without his enthusiasm and instruction the present organization could not have come into existence. Experienced bandsmen providing leadership in their sections include Mr. Dennis Reid and Mr. Rod Penner.

The band committee consisting of Glen Swanson, Joseph Gudz, Ken Wardlow, Alfred Lepp and Mary Polloway have divided their responsibilities as follows: Glen Swanson, Music Librarian; Joe Gudz, Publicity Director; Ken

Wardlow, Business Manager; M. Polloway, Secretary-Treasurer and Alfred Lepp, President and Interim Band Master.

Anyone contemplating the purchase of a musical instrument would be advised to contact the band first. Attractive discounts are available to band associations. Second-hand instruments sometimes approach the price of new ones if repair costs are taken into account.

The committee has invited one

of the top Edmonton Youth Bands here for a concert on Friday this week. They request that everyone interested in music turn out for this event. There is not enough musical opportunity in this town the committee believes. It is hoped that interest in a wider musical experience can be stimulated by the new organization.

D. V. Highlights

By Mrs. Edith Debey

Our sympathy is extended to Mrs. Charles MacMillan whose mother, Mrs. Dora Hawe, passed away suddenly at her home in Smith Falls, Ontario. Mrs. MacMillan flew to Ontario for the funeral.

Mrs. Doris Kerr left recently to make her home with an aunt, Marguerite Minos, in North Bay, Ontario. Joe went with his mother and Jill will join her when the school term is over. Mrs. Kerr and her family have been in our town for twelve years and will be missed.

From the Provincial Museum and Archives of Alberta comes the announcement that a selection of documents and trophies of the members of the Edmonton Grads Basketball Team will be on display until the end of December. Anyone familiar with Edmonton or sports during the years 1915 - 1940 will know of the famous all-girl basketball team. Formed under the guidance of a teacher destined to become lieutenant governor of Alberta, the Honourable J. Percy Page, these girls have an enviable record of winning 502 of 522 games in 25 years. After watching the Grads in action during an international series, Dr. James Naismith, inventor of basketball, said, "The Grads have the greatest team that ever stepped out on a basketball floor".

Regret to report that Mrs. William Johannesson has had a slight heart attack and will be confined to hospital for three weeks.

Didn't we say so? Benje Shirley has tired of Yankee Land and has returned to Rocky Rapids. He is staying with the Hubert Davidsen's until he can make arrangements for a permanent home.

Funeral services were held for Mr. Charles Morin, a former resident of this district, in Creston last week. Mr. Morin is survived by his wife; one son, Lawrence; two daughters Mrs. Gordon Graham (Louella) and Mrs. Mabel Greenwood. The Morins' eldest son, Kenneth, died in 1954. There are seven grandchildren. Mr. Morin had been in failing health for some time.

Did you know that Mrs. Mastre (known affectionately as Grandma Mastre by many of us) celebrated her ninety fifth birthday this fall.

Congratulations go to Mr. and Mrs. John Paley on the arrival of their second chosen child, Wayne Douglas, a brother for Trev and Barbara.

The Dunington Women's Group is sponsoring a dance in Dunington Hall on November 28th. The Edwin Erickson Orchestra is donating the music and all proceeds go to the Purple Pansy Building Fund. Everyone is welcome.

Have you ever felt that someone of your acquaintance has had such an interesting life that he should write a book. This is the way we feel about Mr. William Louth who was a railroad engineer.

SUB-MITS

FROM THE ELEMENTARY SCHOOL

Our thanks to the 84% of the parents who came in for interviews last week. The interest that you show in your child's progress reflects in his day-to-day work.

I came across an article in the Alberta W.I. magazine that appears appropriate at this time.

BEATITUDES FOR PARENTS

Blessed are the parents who make their peace with spilled milk and with mud, for of such is the kingdom of childhood.

Blessed is the parent who engages not in the comparison of his child with others, for precious unto each is the rhythm of his own growth.

Blessed are the fathers and mothers who have learned laughter, for it is the music of the child's world.

Blessed and wise are those parents who understand the goodness of time, for they make it not a sword that kills growth but a shield to protect.

Blessed and cherished are the parents who teach without preaching and who instill religious faith without bias towards other sects, because their children will be contented with life.

Blessed and mature are they who without anger can say no, for comforting to the child is the security of firm decisions.

Blessed is the gift of consistency, for it is heart's ease in childhood.

Blessed are they who accept the awkwardness of growth, for they are aware of the constant perilous choice between married furnishings and damaged personalities.

Blessed are the teachable, for knowledge brings understanding, and understanding brings love.

Blessed are the men and women who in the midst of the unpromising mundane, give love, for they bestow the greatest of all gifts to each other, to their children, and, in an ever widening circle, to their fellow men.

Rebels Win Three Games To Tie for League Lead

Tuesday, November 17th the Rebels defeated Wetaskiwin in a hockey game that went into overtime.

The first period ended with the Rebels up 2 to 1 with goals from Sam Belcourt assisted by Doug Hall and Henry Hodgeson and an unassisted goal by Ray LaPointe. A single goal for Wetaskiwin scored by McFachem assisted by Macborski.

Wetaskiwin scored the only goal in the second period scored by Cheknita from Soucy, tying the score 2 - 2. No scoring in the third period sent the game into overtime.

The Rebels broke the tie at 2:12 of the overtime on a goal by Jim Feeney assisted by Roggeveen and Hodgeson. Then at 7:29 of the 10 minute overtime Hodgeson scored assisted by Novosel and Feeney.

Wetaskiwin came back to score at 9:07. Hoult from Sheaffer and the final goal ended with the Rebels 4 - Wetaskiwin 3.

It was a good fast, hard-hitting game in the second, third and overtime periods with only 8 penalties handed out: 3 to Wetaskiwin and 5 to Drayton Valley.

On Saturday, November 21st, the Rebels travelled to Westlock to play the new entry Eagles and added another 2 points to their league standing by whipping the Eagles 5 to 2. The first period ended in a 1-1 tie. Rebel goal was scored by Roggeveen assisted by Belcourt. Westlock goal by

Provencal assisted by Scoggins.

Westlock scored the only goal in the second period by Rimmer, unassisted. In the third period the Rebels came out flying and scored 4 unanswered goals. Belcourt unassisted at 6:20; Novosel from Roggeveen at 8:25; Ness from Davie and Belcourt at 15:00; and at 15:55 Roggeveen from Feeney closed out the scoring.

Fourteen penalties were handed out, 8 to Drayton Valley and 6 to Westlock. One major, a misconduct went to Terry Rimmer of Westlock.

The game that was controlled by the Rebels all the way, out-shooting Westlock 49 to 32 in a wide open type of game.

In Fort Saskatchewan on Sunday November 22 the Rebels had their work cut out for them but managed to out-skate and out-body the Huskies to win 7 to 5.

The first period was played all most entirely 4 to a side. There were times when there were more players in the penalty box than on the ice. Ten penalties were handed out in the first period including 2 majors for fighting when Barry Ness and Don McIntyre decided to try each other out.

The period ended with the Rebels leading 2 to 1 on goals by Ray LaPointe from Belcourt and Roggeveen at 12:25. Belcourt scored his first of a 4-goal day at 15:25 from Keith Mundie.

The Huskies only goal scored was by Butch Tomlinson from Don Darling at 7:45.

The Rebels outscored the Huskies in the second period 3 to 1 on goals from Terry McGowan, assisted by Ray LaPointe at 39 seconds; Sam Belcourt from Barry Ness at 2:32 and Sam Belcourt again at 5:19 from Dan Davie. Huskies only goal was scored by Bob Shillington from Don Darling and Bill Schur.

In the third period the Huskies made a comeback outscoring the Rebels 3 to 1. Getting 2 goals from Don McIntyre and 1 from Bill Schur. The Rebels only score in the third was Sam Belcourt's fourth, from Ron Hemmingsway and Ray Lapointe.

The injury jinx has hit the Rebels and they have picked up 3 injuries in these last 3 games. Doug Hall has a hairline fracture of a small bone in his ankle and will be out for about 3 weeks, Ken Machan got a badly cut leg in the game against Westlock. He will be out for the season.

A less serious injury was picked up by Barry Ness, losing a couple of teeth and a nasty cut on the inside of his mouth but will not likely miss any games.

The 3 wins move the Rebels into a tie for first place with the Camrose Maroons.

Present standing as of November 22nd including weekend games:

	W.	L.	T.	PTS.
Drayton Valley	3	1	0	6
Camrose	3	1	0	6
Westlock	2	2	0	4
Wetaskiwin	1	2	0	2
Fort Sask.	1	2	0	2
Stettler	0	1	0	0

Rebels have 3 games at home this week. Tuesday night will decide first place when they host the Camrose Maroons and they are at home to the Westlock Eagles Saturday night at 8:30 p.m. and at 1:30 p.m. Sunday.

Couple Wed in Recent Double Ring Ceremony

The Drayton Valley United Church was the scene of a double ring ceremony on Friday, November 6th when Judy Eileen Cameron, daughter of Mr. and Mrs. Walton Rector of Amherst, Nova Scotia, was united in marriage to Mr. Bill Edward Featherstone, son of Mr. and Mrs. Edward Featherstone of Drayton Valley.

Rev. Robin Oldring performed the ceremony and Mr. Glen Swanlund played the wedding music and a special selection, "A Place In The Sun".

The bride, given in marriage by the groom's father, Mr. E.A. Featherstone, wore a "Julliette" style gown of ivory and gold brocade with a floor-length ivory veil which was held in place by a headpiece of ivory flowers. She carried a bouquet of "Laura" roses.

Attending the bride was her

sister Mary Adams of Swift Current, Saskatchewan and wore a plum colored "Victorian style gown with matching floral headpiece and carried a bouquet of pink carnations.

The groom's best man was Frank Kynock and the guests were ushered by Mr. Craig Featherstone and Mr. Terry McQuaid.

For the occasion on the alter were pale pink candles in brass holders and an Indian brass incense burner which was burning rose incense.

Following the ceremony the wedding party and guests gathered in the Cardium Room of the Drayton Valley Hotel for a reception. Mistress of ceremonies was Mrs. Myrtle Karthy of Regina, Saskatchewan and Mr. Ron Meier proposed the toast to the bride.

The young couple will make their home in Drayton Valley.

Alberta's Great Moments

Starring the famous players from your lovable Lethbridge label

House of Lethbridge Cornerstone Ceremony

We've brewed a lot of great beers since our pioneering days back at the turn of the century. Especially Lethbridge Pilsner. Nearly half a hundred years of real beer flavour as distinctive as that crazy cast of characters on the label. Frankly old-fashioned and proud of it. And you can taste the tradition in every glass.

So why settle for less than Alberta's original Pilsner? Call for Lethbridge Pil. And enjoy your own Great Moments.

BUCK LAKE NEWS

Visiting at Sig Larssons on Sunday was LeOpals' parents Mr. and Mrs. Russell Powers of Winfield.

Funeral for Mrs. George Dewitt was held in Wetaskiwin November 4th. Sympathy of the district to Mr. Dewitt and family.

Einar Larsson motored to Biggar Saskatchewan to attend the funeral of his sister-in-law, Mrs. John Hurten. While there he visited his son Jim, and daughter Alice and family.

Jim Foster was at home on the weekend, and brought Chuck Parker home. He went back to work Sunday.

The Bouck family were to Rocky on Saturday. They saw Wes' nieces' husband, Ray Charlton at the Auction Sale there.

Happy Birthday greetings are going out to Joe Mills, November 15th; Mr. Joe Roberts, November 20th, and Cathy Brzus Sunday, November 22nd.

Edna Wasyk and Barbara McLeod are both working at the Hotel Cafew now. Its quite busy since the Pipeline started through.

Mrs. Leon Brzus was to Edmonton last week for X-rays and is now in Rimbey Hospital for a week or ten days.

Lorne Trusett is at home from his job up north.

The shower held for Judy Mills and Ken MacDonald, Thursday, November 12th was very well attended. Lois Schaurete recorded the gifts and Judy was assisted by Kathie Bouck. Judy received many lovely and useful gifts and cordially thanks everyone present. Judy would like to publicly thank all who attended her shower, those who sent gifts and also those who put on the shower.

Rudy and Vera Brzus and family travelled to Camrose last weekend to visit with friends there.

Mr. and Mrs. Kaserman were to Wetaskiwin on Thursday.

Congratulations to Mr. and Mrs. Joe Roberts on their 37th wedding anniversary on Saturday, November 28th.

Mrs. Fullerton attended an A.T.A. meeting on Thursday evening.

The Ladies Club meeting was held at Goldie Anderson's Wednesday, November 18th with 8 members present. We are still badly in need of more Nabob coupons for a Coffee Urn for the Recreation Centre. Draw sent by Freda was won by Ernie. Our Christmas party will be the same as last year on Saturday, December 12th.

WHO'S NEW

November 16 - Mrs. Bernard Kropp (Brenda), Drayton Valley, Boy 7 lbs. 1 oz. 3200 grams

November 17 - Mrs. Theodore Oscar (Emilia), Drayton Valley Boy, 7 lbs. 3170 grams.

November 18 - Mrs. Gilbert Hornberger (Joan), Wildwood, Boy, 8 lbs. 1 oz. 3660 grams. November 19 - Mrs. John Melnyk (Gwynneth), Drayton Valley, Girl, 6 lbs. 12 ozs. 3080 grams.

The winner of this weeks baby spoon is Mrs. Gilbert Hornberger of Wildwood. She may pick up her spoon at:

United Church Setting For November Wedding

On Saturday, November 7th at 4:00 p.m. Miss Ida Ferris, foster daughter of Mr. and Mrs. Gunnar Nielson of Redwater was united in marriage to Mr. Dave M. Roulstone, son of Mr. and Mrs. Roulstone of Edmonton, at the

Drayton Valley United Church. Rev. E. R. Oldring officiated and Miss Cindy Sharkey played the organ.

Given in marriage by her foster father, the bride looked lovely in an A-line dress of white satin over peau de soi which featured three-quarter length sleeves and a train. Her three-layer veil fell softly to her shoulders. She carried a cascade bouquet of red roses with white streamers and red rosebuds.

Attending the bride was Miss Collen Holmen, maid of honor; Miss Joyce Rendflesh and Mrs. Louise Braybrook. They wore identical blue gowns in an empire waist style, blue flowers scattered in their hair and carried

bouquets of white carnations with blue ribbons.

The groom's attendants were Mr. Alan McPherson, bestman; Mr. Les Snell and Mr. John Braybrook. Messrs Charlie Swap and Jim Cathrea ushered the guests.

For the wedding the bride's foster mother wore a gold dress complimented by brown accessories and yellow roses en corsage. The groom's mother chose a navy blue suit complimented by a corsage of yellow roses.

Following the ceremony a reception for the immediate family was held in the Cardium Room followed by a wedding dance in the Elk Hall where a hundred and fifty guests gathered to wish the couple a long and happy life together.

For her honeymoon the bride changed to a mauve ensemble, yellow accessories and a corsage of yellow roses.

The newlyweds will make their home in Edmonton.

MOON LAKE NEWS

Mr. and Mrs. Fred Cherrington and Mr. and Mrs. Bill Cherrington were guests at the Waskatenau United Church 50th anniversary on November 1st. Present were many old timers and friends including the first couple to be married in the church. Rev. Cantelon of Edmonton was the guest speaker at the service. This was followed by a social afternoon with lunch being served in the community hall. An enjoyable time was had by all and many acquaintances were renewed.

Mr. and Mrs. Lyle Town have gone to Elk River for the winter where Lyle is employed in the Fred Nograff camp.

Fred and Vi Cherrington visited with their son Lis and family in Calgary on the weekend of November 8th to attend the first league game of the Calgary Oilers in which their grandson Brian is goal keeper.

Belated congratulations to Mr. and Mrs. Jay Town Sr. who celebrated their 61st wedding anniversary on November 19th.

PUBLIC NOTICE

BY-LAW NO. 36-70

By the Council of the County of Parkland No. 31 of the Province of Alberta.

WHEREAS it is deemed expedient by the Council of the County of Parkland No. 31 of the Province of Alberta, that the sum of Six Hundred Seventy Four Thousand One Hundred dollars (\$674,100.00) should be borrowed on the security of the said County by issue of debentures repayable to the bearer in 25 consecutive annual instalments with interest at the rate of not more than Nine per cent (9%) per annum for the following purposes, namely:

(a) 10 General Classrooms	1 Staff Work Room
2 Science Experience Classrooms	1 Infirmary Area
1 Science Preparation Room	2 Physical Education Office
1 Ancillary Classroom	2 Shower Rooms
1 Library	1 Gymnasium Storage Room
1 Gymnasium & Stage	1 Staff Lounge Room
1 Home Economics Room	2 Staff Washrooms
1 Industrial Arts Room	2 Student Washrooms
1 General Administration Office	2 Storage Rooms
1 Principal's Office	2 Janitors Storage Room
1 Vice Principal's Office	1 Mechanical (Furnace) Room

Plus such other non-instructional areas as are deemed necessary to provide a functional educational unit at an estimated cost of Six Hundred Twenty Thousand One Hundred Dollars (\$620,100.00) including Architects fees and water supply and sewage disposal system.

(b) Purchasing Furniture and equipment at an estimated cost of Thirty Six Thousand Dollars (\$36,000.00).

(c) Landscaping and site development at an estimated cost of Eighteen Thousand Dollars (\$18,000.00).

THEREFORE, notice is hereby given by the Council of the said County that unless a poll of the electors of the said County for and against the said debenture loan is demanded, as provided by Section 104 of The School Act, 1970, the said Council will apply to the Local Authorities Board for authority to borrow the said sum by issue of debentures.

Of which all persons interested are hereby notified, and they are required to govern themselves accordingly.

Dated at Stony Plain

this 9th day of November, 1970.

Leslie N. Miller

Reeve

INSTRUCTIONS TO ELECTORS PETITIONING FOR A VOTE ON A MONEY BY-LAW IN A COUNTY
(Sections 2(e), 3 and 104 - The School Act, 1970)

"Elector" for the purposes of petitioning for a vote on a debenture by-law means a person:

- 19 years of age or older
- who is a Canadian citizen or British subject, and
- resident in a County for at least the 12 months immediately preceding the day on which the petition is presented;

A poll respecting the aforesaid borrowing may be demanded in a County by preparing and submitting to the School Board a petition for a vote in accordance with the provisions of Sections 2(e), 3 and 104 of The School Act, 1970.

The petition must be signed by at least

- 2 per cent of the electors in a County having 10,000 electors or more, or
- 5 per cent of the electors in a County having less than 10,000 but 5,000 electors or more, or
- 10 per cent of the electors in a County having less than 5,000 electors but 500 electors or more, or
- 15 per cent of the electors in a County having less than 500 electors, and be filed with the Board within 15 days of the last publication in a newspaper of the public notice of the proposed debenture borrowing.

Legion News

A very enlightening leadership and development course was held Sunday, November 22nd. The speakers were Comrades Jack Chapman, Provincial com-

mand 1st V.P.; Rulon Hirsche Provincial 3rd V.P. and L. Dickinson; Stan Walpole, Provincial Secretary and Alex Bayrak N.Z. District Commander. Unfortun-

Evansburg C.W.L. Plans Christmas Party

Evansburg C.W.L. held its regular monthly meeting in the rectory with 5 members attending and 3 new members added to the league making a membership of 14.

President Mrs. Cumming welcomed the new members.

Mrs. Lauer has just arrived home from the hospital with a new baby girl. Congratulations. Hope you both are fine and doing well.

It was decided to raffle a Christmas food hamper instead of having the usual Bake Sale and Tea and Bazaar. Tickets will be selling soon.

A Christmas party is being planned for all the Catechism children. Their teachers will plan a program and bags of treats for all the children will be given and coffee and Christmas cake will be served to the parents and everyone attending. The date for this event will be Sunday

Sundance Plant in Production

Calgary Power's \$50,000,000. thermal plant at Sundance began feeding power to customers this week.

The plant, six years in the planning and three years in the building, will supply 285 megawatts of power to Alberta's expanding power grid.

Executive Vice-President, M. M. Williams says the plant will be operated at close to full output this winter. "With the rapid industrial growth, and increased consumer demand, Sundance will play a major part in supplying our grid," Mr. Williams said.

The plant is the thermal type -- using coal to produce high pressure steam which drives a huge turbo-generator. About 4,000 tons per day will be used.

Coal from adjacent reserves will be recovered through strip mining to feed the plant. A land reclamation program is planned similar to the land recovery program underway at the Company's other thermal plant nearby.

The opening of the plant marks completion of the first phase at Sundance. Additional units are planned for the 70's.

Mr. Williams announced that construction on the second unit will begin this winter. "Three years of construction time is required before a unit begins to generate power," he said. "Therefore we must begin now to meet the needs of the mid-70's."

The second Sundance unit is expected to cost about \$44,000,000.

"Could he take some extra sessions of character building?"

ately attendance of delegates was down due to poor road and weather conditions and lack of support from our own Branch members. An organization is only as good as the interest and support of its membership.

The wine and cheese tasting party for November 27th, has been cancelled due to unforeseen circumstances to a later date. Wednesday, December 2nd

Dinner meeting at 7:00 p.m. with guest speaker followed by annual elections. Come out in full force and use your vote. If you do not vote, please do not complain about those who get elected. Those willing to stand for office be on hand, as nominations are from the floor only. If unable to attend but willing to stand for office a letter to this effect must be in the hands of the Secretary, Comrade Bill Jones at this meeting.

We will remember them.

Datsun 1600 automatic gives you everything you want. Just put your foot down.

There's only one way to handle the Datsun 1600 automatic. Briskly.

When you want to pass on the freeway, just swing out, tramp on the gas and your Datsun will jump to it. You see, the Datsun 1600 is not like most small automatics. Small cars generally don't have the engine capacity to handle an automatic transmission properly. And most of them only have a 2-speed transmission, so you don't get any pick-up at all.

What you do get is a gutless wonder.

Datsun 1600 is different. It's got guts. 96 hp, and one of the best power/weight ratios in its class. A silky three (count 'em, three) speed Borg-Warner transmission. 100 mph performance. Datsun 1600 has poise. And with all that poise you get contoured bucket seats, front discs, all independent suspension, choice of two doors, four doors or a wagon... all the extras, all the luxuries and all the performance of the standard Datsun 1600. Just no gearshift. If you like a gearshift, you can get one for about \$200 less than the automatic

option. But if you don't, put your foot down and demand a Datsun 1600 automatic. And then you can really put your foot down.

Test-drive a Datsun at any of the 200 dealers in Canada.
